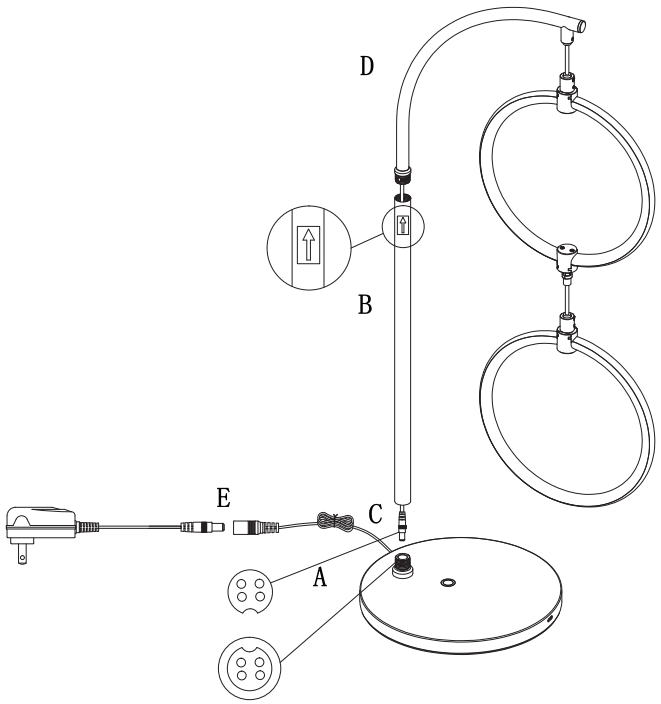
BRIGHTECH

2 Ring RGB Table Lamp



To connect the lamp head's cord into the power pole :

There are 4 protruding prongs within the power pole piece which correspond to 4 holes on the lamp head's cord. Carefully align the prongs with the holes. Once the prongs and holes are aligned, they may be pushed together until fully connected. DO NOT attempt to twist, screw, or force connection as this may cause permanent damage to and failure of the lamp.

Assembly Instructions for the Brightech 2 Ring RGB Table Lamp:

1 - Pass the wire from head (D) through hollow pole (B), and screw pole into place to complete head assembly.
2 - Plug the AC cord (C) from the pole into the socket on the base (A), and screw assembled head into place on base. (see instructions next to lamp image)
3 - Plug power supply adapter (E) into lamp first, then the outlet, and power on!

Operation and Features:

This RGB table lamp is controlled via a three step touch switch located on the lamp base. Powering on and off switches through the modes in this order:
Mode 1 - RGB color changing gradient mode
Mode 2 - Fixed color mode, based on where you stopped the gradient at
Mode 3 - Cool white mode
Please note, the lamp is not dimmable and is not compatible with smart plugs, timers, or wall switches at this time.

Warnings:

Do not use this product outside of its intended and advertised use.
Brightech is not responsible for modifications to this product or any of its electrical components, or for use with externally purchased parts not manufactured to come with this product.
Do not bring this product or any of its components in contact with extreme heat.
This product is intended for 110v voltage only. Use with a higher voltage is likely to cause damage.
This product uses a polarized plug so one prong is larger than the other. When plugging into an outlet, take care to plug the correct direction to avoid electric shock.
Do not bring this product or any of its components in contact with water.

WARRANTY INFORMATION

Brightech offers a best-in-class warranty for Brightech products sold through our authorized sales platforms. Coverage is for 3 years for all authorized platforms, 5 years for sales through Brightech.com. The warranty protects against any manufacturer defects in material, workmanship, or electrical function that develop under normal use during the warranty period.
For more information on our coverage, eligibility, and limitations, please see our Warranty articles at help.brightech.com
