Brightech® Mason Shade Assembly Instructions

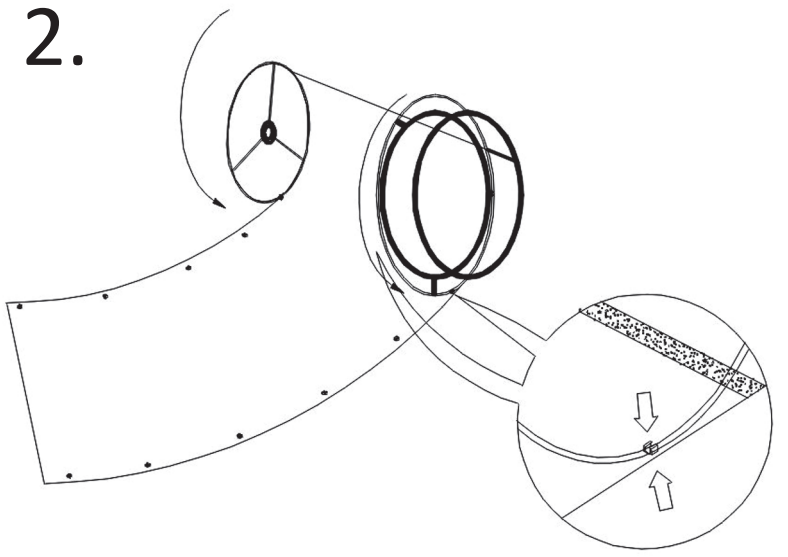

a: Panel 1PC	b: Rina 1PC	c: Ring 1PC
		

1.

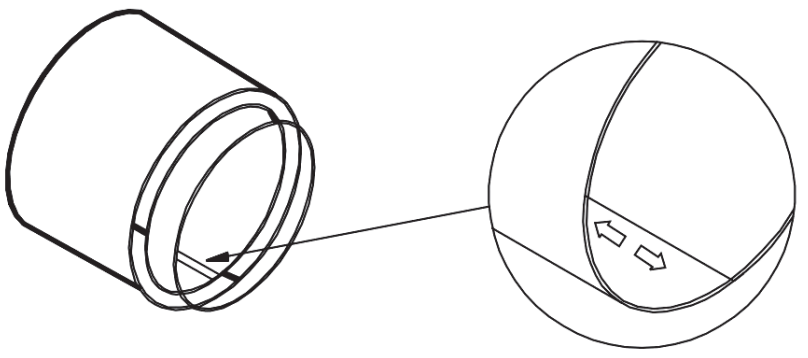

1. Clip the shade panel (a) onto both rings. The clips are on the upper and lower edge of the panel.

2.

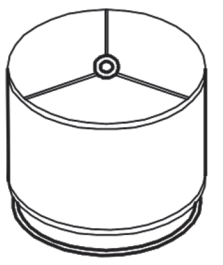

2. Roll both rings all the way around and make sure all the clips on the shade are secured onto both rings.

3.

3. Secure the shade by pressing along the velcro.

4.

4. The finished shade should look like the above picture.

Please contact us via our website or email if you need any help with your new lamp.
